## **ontology - Warwick**

Authors on social research ethics can be characterized in terms of the stances they take on the issue. The following stances can

# Get Free Bryman Social Research Thebooksee

be distinguished: •  
Universalism. A  
universalist stance  
takes the view that  
ethical precepts should  
never be broken.  
Infractions of ethical  
principles are wrong in  
a moral sense and are  
damaging to social  
research.
