What to expect when you bring home your new parakeet

...

To make sure your parakeet stays happy and calm, refrain from handling your new bird for three or four days — he needs to get used to his new surroundings. Aside from annual checkups, talk to an avian veterinarian if you have any questions about your bird's health or if your parakeet displays any of these signs: Less active than usual

Parakeet Care Sheet & Supplies | PetSmart

Unfortunately, your budgie is bound to get into fights with the new companion. During a moment of imagined play, your budgie might get into a disagreement with the mirror and get aggravated. It might think that the bird looking back at it is a handsome male and will fight with it for dominance, for instance.

Most birds, including parakeets, feel safer when they are

Where To Download Budgies For New Owners Parakeet Care And Taming For The Complete Beginner Budgie Care Parakeet Books Parrot Most likely stay

perched higher, so if you buy a very tall cage, your "budgie" will most likely stay at the top of the cage, wasting all the space at the bottom. A lot of parakeet owners love the smaller, more oval, traditional designs, but make sure that the cage is not too small.

Parakeets as Pets: Are They GOOD? Pros & Cons of Owning One

Parakeets can be very rewarding pets to own, and they make great companions. It is important to understand how to meet their needs, however, in order to give them a comfortable and healthy life and create a strong owner-parakeet bond you can both enjoy. Personality Parakeets are social birds that require significant companionship.

Everything You Need to Know About Your New Parakeet | Pet ...

Budgies (Parakeets) Because of their small price tag and easy availability, budgerigars (or parakeets) are often treated as a throwaway bird — easily purchased, easily disposed of, easily replaced. This deplorable attitude keeps people from valuing these birds for their affectionate personality — some budgies even become very good talkers, albeit with tiny little voices.

Choosing Your Bird: The Best Birds for Beginners - dummies

Once your parakeet has gotten over the initial fright, keep him reminded that you are a part of his new world. Don't run to the cage, don't make loud noises. But wander over and talk sweetly to him. Tell him he's a good bird, a pretty bird. Parakeets love words with 'hard' sounds in them like K and B and T. They learn those words very quickly.

Caring for your New Parakeet - Budgie Care

Tweety seemed lonely, so you found a feathered friend to keep him company. Although budgies are naturally social, don't ruffle his feathers by putting that new bird into his cage too quickly and intruding on his territory. Gradually introducing the two parakeets is the best way to make them BFFs.

First 24 Hrs with New Budgie Parakeet - YouTube

A very common question brand-new budgie owners have is, “Should I get a female or a male English budgie?” There is no right or wrong answer to this question. If you have your heart set on teaching your budgie to talk or whistle songs, you may want to pick a male English budgie, since they tend to be more outgoing and talkative in general.
