Employee Written Warning Guide Legalzoom

An employee written warning is simply a memorandum to a member of your staff, explaining that his or her job performance has been unsatisfactory. It must provide specific details about the problem (including examples, dates, names, and witnesses, where available) and explain the consequences of continuing violations or infractions.

Employee Written Warning - How to Guide | legalzoom.com

Moreover, if the employee is informed of future consequences for continuing violations and your company has ample documentation of these warnings, you will have taken a large step toward defending your business in any claims or lawsuits initiated down the road.
