Inheriting Abraham: The Legacy of the Patriarch in Judaism ...

"In Inheriting Abraham, one of the world's leading Bible scholars, Jon D. Levenson, has given us an incisive and deeply challenging account of the three Abrahams of Jewish, Christian, and Islamic theology. It may be, he suggests, that we are divided by a common ancestry and that we need to understand our differences no less than our commonalities.

Inheriting Abraham: The Legacy of the Patriarch in Judaism, Christianity, and Islam. by. Jon D. Levenson. 3.78 · Rating details · 58 ratings · 10 reviews. How Judaism, Christianity, and Islam have reimagined Abraham in their own images. Jews, Christians, and Muslims supposedly share a common religious heritage in the patriarch Abraham, and the idea that he should serve only as a source of unity among the three traditions has become widespread in both scholarly and popular circles.

Inheriting Abraham: The Legacy of the Patriarch in Judaism ...

A stunning achievement that is certain to provoke debate, Inheriting Abraham traces how each community has come to revere Abraham as an exemplar of its own distinctive spiritual teachings and practices. This probing and compelling book also reveals how the increasingly conventional notion of the three equally "Abrahamic" religions derives from a dangerous misunderstanding of key biblical and Qur'anic texts, fails to do full justice to any of the traditions, and is often biased against Judaism ...

Inheriting Abraham: The Legacy of the Patriarch in Judaism ...

Inheriting Abraham is a deeply scholarly work but also a clear and methodical one, which makes it easily accessible to a wide readership. Levenson does far more than handily demolish the many myths associated with the term "Abrahamic."

Inheriting Abraham: The Legacy of the Patriarch in Judaism ...

Inheriting Abraham is no exception. In this beautifully written book, Levenson examines how Judaism, Christianity, and Islam depict the figure of Abraham, concluding that "Abraham has functioned much more as a point of differentiation among the three religious communities than as a node of commonality" (9).
