Making Sustainability Work: Best Practices in Managing and ...

Epstein's "Making Sustainability Work" provides a well balanced mix between introducing theory and examples of best practices. Covering a lot of topics such as sustainable leadership style, sustainable cultural frameworks, risks associated with sustainability, social impacts, and reporting systems Epstein touches most of the areas that either impact the sustainability of an organization or are influenced by it.

Amazon.com: Making Sustainability Work: Best Practices in ...

For sustainability to be long-lasting and useful, it must be representative of and integrated into day-to-day corporate activities and corporate performance. If it is seen only as an attempt to provide effective public relations, it does not create long-term value and can even be a value destroyer.

Our work is closely aligned with the UN Sustainable Development Goals. We have built the business case for climate action, helped reform public health systems, and forged a path to education reform for more than 2 million students in India.. Internally, we are committed to evolving our own business practices to make a difference in society, to protect our planet, and to empower our people.
