Unit Operations And Unit Processes, Vol 2 by Narayanan ...
In this book, the current hot topic of judicial activism is examined in the context of delivery of social justice. In a special article, V.N. Narayanan beautifully brings to light the contradiction between the judiciaries urge to restore its power and the urge (rather necessity) to exercise this power to deliver the goods.

B Bhattacharya - AbeBooks

A comprehensive text book that deals with almost all mechanical operations such as particle size analysis, size reduction, size separation by screening, classification, jigging and dense medium separation, sedimentation, filtration, centrifugation, fluidisation, flotation, mixing and agitation, gas-solid separations, handling and transport of solids.
