Finally, this is the only album where all the music comes from a single book ("Old English Organ Music for Manuals"), one that I bought many years ago. Unlike on the Continent, English organs remained fairly small until the 19th century, and pedals were almost unheard of. Although the Silbermann organ used for these recordings does have a pedal ...

Arlan Wareham - Old English Organ Music at CD Universe

The pipe organ is a musical instrument that produces sound by driving pressurized air (called wind) through the organ pipes selected from a keyboard.Because each pipe produces a single pitch, the pipes are provided in sets called ranks, each of which has a common timbre and volume throughout the keyboard compass.Most organs have many ranks of pipes of differing timbre, pitch, and volume that ...
