The Agony Of Modernization

The Agony of Modernization fills a serious gap in the enigmatic and complex history of labor relations in Spain. Benjamin Martin uses a balanced and objective socioeconomic approach to define the evolution of the Spanish labor movement from the birth of trade unionism in the 1840s to its maturity today.

The Agony of... - Wikipedia

Published in 1955, Henry Pleasants' The Agony of Modern Music is an 180-page jeremiad against the development of classical music after World War I. Pointing to the rise of twelve-tone music and neo-classicism, and declining public interest in recent compositions, Pleasants claimed that classical music was now dead.

The Agony of Modern Music by Henry Pleasants

Fred García has written a powerful book, The Agony of Decision full of insights on crisis management in the challenging times we live in. He outlines common sense solutions and a framework that reduces the hazards of poor reactions to crisis that will occur not if but when they occur in organizations.

Henry Pleasants THE AGONY OF MODERN MUSIC 1st Edition 5th ...

Initial resistance to modernization may be sharp and prolonged, but it is generally doomed to failure. Beyond some point, however, modernization begins to breed discontent on an increasing scale. This is due in part to rising expectations provoked by the early successes and dynamism of modern society.
