To help maximize damage, you should match the Type of your Pokémon with the Type of the attack. For physical and special (but not calculated) attacks, this provides a 1.5x damage boost as compared to a non-matching Pokémon using that attack. Thus, while Magmar can learn Psychic, it's better suited for Hypno. For dual-type Pokémon, only one of their types need match to get the 1.5x bonus.

The Kill Team Compendium book contains all the rules for pretty much all the factions within Warhammer 40,000. As hinted by Games Workshop and the Octarius book, Kill Team construction has changed. Gone are points and instead are fixed teams and loadouts, partially limited by what comes in a unit's box.

The Three Witches, also known as the Weïrd Sisters or Wayward Sisters, are characters in William Shakespeare's play Macbeth (c. 1603–1607). The witches eventually lead Macbeth to his demise, and hold a striking resemblance to the three Fates of classical mythology. Their origin lies in Holinshed's Chronicles (1587), a history of England, Scotland and Ireland.

There's some weird quirks here and there, but mostly you should be able to pick the faction you prefer, get to the table and have a satisfying game using them. In a lot of ways I think the Compendium teams might be better for intro games than the Octarius teams, since most of them have less going on.
